

Dear Parent/Carer

It is wonderful to be back! It was honestly so lovely to see all the children again. So many of them seem to have had a real growth spurt over the summer—perhaps it was all the warm weather!

Thank you so much for all your hard work in ensuring that the children have returned looking so smart and ready for the term ahead.

We have been focusing on **belonging** in our worships this week and through our back-to-school classroom routines. I have been so impressed by how positively the children have responded and by their enthusiasm to be the very best they can be for their new teachers.

A big shout-out must go to Rachel, who worked incredibly hard over the summer to input all the data, complete the necessary training and set up the next stage of our new Bromcom system. Thank you in advance for your patience as we iron out any teething issues. We have also really appreciated the many positive comments about how much easier the new system is to use and the benefit of having everything in one place. We are all on a learning curve—which is certainly keeping my brain ticking over!

A special mention must also go to all the new children joining us this autumn term—not only in Reception, but across the whole school. We hope that you will very quickly feel happy, settled and part of the St Peter's family.

Next Wednesday, we will celebrate our first whole-school Mass of the year at St Peter's Church. As usual, children from Years 1 to 6 should meet us at the church on Clifton Street from 8.45am, ready for Mass to begin at 9.00am. Reception and Kindergarten children will remain in school. Children attending Breakfast Club will walk to church with members of staff, as usual.

After school activity club information will be put on MCAS, please sign up via the app.

We will send further information about this term's events next week, in a bid to manage the inevitable information overload that comes with returning to school!

Thank you for helping us to make the start of the new school year such a happy and positive one.

Kindest regards

Mrs Gili-Ross

Brown or White toast	25p
Crumpet	35p
Tea Cake	45p
Orange or Apple juice	50p

FREE SCHOOL MEALS INFORMATION

All children in Reception, Year 1 and Year 2 are entitled to universal free school meals. However, some families who are on low income and meet a certain criteria, are also eligible for supermarket shopping vouchers during school holidays and free holiday club places. Eligible families will continue to receive free school meals after Year 2.

Some families with children in Key Stage 1 do not claim as they are already getting free school meals, however they are missing out on the other benefits so please double check.

Battery Recycling available at School

We're pleased to let you know that we now have a battery recycling box located in the school entrance.

Should My Child Stay Off School?

Deciding whether your child should stay home from school can sometimes be tricky. To help parents make informed decisions, the NHS has clear guidance on when children should be kept off school and when it's safe for them to attend. Following this advice helps protect other pupils and staff, while also ensuring children don't miss more school than necessary.

You can read the full NHS advice here:

<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>
