

Dear Parent/Guardian

Little did we know that by the end of this week we would have had a visit from OFSTED! I can honestly say we really have kept calm and carried on and even when Willow ate the inspector's sandwich, we did not panic! Ha ha -it has been an incredibly long week but we have reached Friday once again and we are all still smiling and loving life at St Peter's. We are not able to say much more about the inspection at this point and have a wait on our hands. However, I am hoping to get the report by the end of the school year. One thing I am able to mention is how wowed the inspector was by our incredible children; she said they were a joy to listen to! She also mentioned how 'phenomenal' the parental feedback was. She said she had done many inspections and that the feedback was amazing. So thank you for your incredible support, we really felt it, which helped us through.

Sports Day was a great success and we have had so many positive comments about the new format. Huge thanks to Mrs Banks for pulling it together and to our Year 6 children who supported the Key Stage One children. It was so lovely to see so many of you and grandparents too.

We hope to see you on Club Day and at School Mass on Wednesday Morning at St Peter's Church at 9am. We have a special evening Leavers mass coming up on July the 10th to celebrate our Year 6 children and we would love as many people as possible to attend. More on that next week.

I am going home to sleep!
