

Dear Parents/Carers

I think we can confidently say we are now in Autumn. All of a sudden the nights seem to be drawing in and we won't even mention the number of layers we are applying to avoid putting on the heating!

This time of year can be tricky, as we leave the long summer days behind and face a what can seem an endless winter.

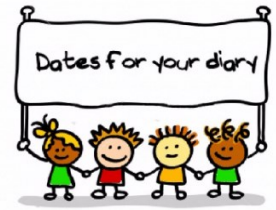

Today in our Worship we focused on psalm 46:1, which reminded us that God doesn't just say "We can do it!" but instead, "You and I can do it together!". So comforting to know that we are not on our own and together, with God's love and each other's support and strength, we really can do anything. This has really been reflected in all that the children have been achieving in class this week, so many WOW moments, from incredible number recognition and subitising in Reception. Year 1 have been using a number line to help them subtract whilst, Year 2 have worked hard to master counting in threes. I was wowed by the breathtakingly detailed art work, based on buildings, in Year 3. Year 4 having been looking at structures, as part of their art work, and have been incredibly creative making structures that remind them of the Queen-amazing! Watch out Danny Savage, Year 5 have been roving reporters fit for the BBC and I can't even begin to tell you how proud I am of Year 6's writing.

Being a Headteacher really is the best job in the world when you do it together with staff, children and all of you!

Thank you and have a great weekend.

Kindest regards

Mrs Cate Gili-Ross
