Dear Parents

I wanted to share the news that St Peter's has been successful in our VASCA bid for funding from the Diocese to improve the safeguarding and access to our building, through a front entrance re-model. The funding has been ring-fenced for this financial year, so work for this will be commencing at half term. I understand that this will present some challenges over the next half term, but we are working hard with the contractors to ensure that any disruption is kept to a minimum.

There will be no parking on the car park. A temporary front entrance and office will be operating from the staff room. There will still be pedestrian access from all entrances. We will keep you informed of any further changes including pick up for after school activities etc.

I hope you all have a lovely break and look forward to welcoming you back Monday 21st Feb.

Kindest regards

Mrs A Heyes
Headteacher

Hannah from [GREEN & ME](#) collected the chocolate & sweet tubs for Tubs2pubs campaign—The Green King pubs.

All tubs are taken to a plastic reprocessing centre where they're shredded, before being sold onto plastic manufacturers to use in place of virgin plastics. All money raised from the sale of Tub 2 Pub plastics will be given directly to Macmillan Cancer Support.
