

Dear Parents/Carers

Well, what a strange week it has been for me stuck at home with the flu! I am missing the children and can't wait to be back in school, hopefully next week. I don't know whether to be happy or sad that everyone seems to have got on very well without me!

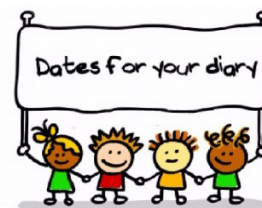

Thank you to those of you who were able to attend our Power Maths Evening yesterday, I have had some really positive feedback and hope it helped to deepen your understanding of how your child is learning in school.

Talking about feedback, we will shortly be sending out a parental questionnaire to help us to continue to evaluate and improve our lovely school. As a Head, feedback is something I have always sought to help me and my team reflect on what we provide for our children and the wider community, so I look forward to reading your responses. At the same time, we will also be seeking the opinions of the most important people, our children. Thank you in advance for taking the time to complete the questionnaire.

Parent Governor-there is currently a vacancy on our Governing Body for a Parent Governor, the advert for which will be made available next week. Prior to the advert and application being available, I would ask you to consider if this might be something you would be interested in committing to. The role entails a committee meeting and full governing body meeting each term, as well as some linked work with the school in between. Whilst requiring some work from yourself, it is also a wonderful opportunity to learn more about the school and use your skills and gifts to support its smooth running. The role of the Parent Governor is very important and helps the Governing Body to see things from a parental perspective. I hope you will consider taking on this important role.

Fingers crossed I will see you all next week-have a lovely weekend!
