Dear Parents

I hope that this letter finds you and your families well.

During Lent the children of each class are going to choose a way to raise money for two Catholic charities (Cafod and Caritas Poland) both of whom are providing much needed support and supplies for the millions of displaced Ukrainian refugees. As a school we are keeping the people of Ukraine in our daily prayers. As part of their Lenten liturgies each class will be taking part in the Stations of the Cross in Squirrel Wood.

I wanted to share the news that Alex Simpson will be leaving St Peter's at Easter as she has accepted the position of Deputy Nursery Manager at Rossall School. Alex has been such a valued member of our Kindergarten team, and she will be greatly missed. We thank her for her dedication over the past nine years and wish her every happiness in her new role.

The entrance re-model is proceeding well and on track to be completed at Easter. The construction team are working hard to ensure disruption is kept to a minimum.

Finally, I wanted to thank Mrs Alison Tierney, who has made the decision to step down as our Chair of the PTFA. I wanted to express how much her hard work has been valued and recognise the many events and experiences she has led for all the children. I know that Alison will continue supporting the other members of the PTFA committee.

Kind regards
Mrs Heyes

Virtues: Curious and Active

Curiosity is needed to sustain learning. It is what keeps us going through the difficult stuff; it is what opens up new horizons and allows the possibility of 'finding God in all things.' Learning is something to be actively engaged in by Curious & Active Pupils growing to be curious about everything; and active in their engagement with the world, changing what they can for the better. By leading pupils to be curious about the universe and all human activity, and to take increasing responsibility for their own learning, and by providing opportunities for them to be active in the life of the school, the Church, and the wider community. As by probing, seeking, asking, challenging, and questioning until the truth is plain – it is to think for oneself and to become an independent and lifelong learner.

" Love is shown in actions not words ."

“Try Guides” meeting on Thursday 24th March at 7pm, in the community space in St John’s church

We want to reach out to girls who have not been Brownies or who may have been Brownies and want to know more about Guides. The Guide section is for girls aged 10 to 14 years and so we are inviting girls from the age of 9, in years 5 and 6, to come and meet the leaders and try some guide activities.

Guiding encourages girls to participate in decision-making, to work together in teams and to take part in a variety of activities and experiences that will help them develop into well-rounded adults

Girlguiding members choose activities from a structured programme, which includes everything from camping and adventure to tackling mental health issues by building resilience skills. Our programmes are girl-led and are designed to be relevant to girls and young women across the UK.

There is more information on our national website: <https://www.girlguiding.org.uk>.
