Section 10 – Tax Free Childcare
Using Tax-Free Childcare, Universal Credit Childcare & Vouchers We accept Tax-Free Childcare payments, and families can use this scheme to pay for any chargeable childcare sessions or extended day care at our setting. Parents simply make payments to us through their Tax-Free Childcare online account, and we allocate the funds to their child's fees. We also accept payments from other childcare voucher providers, and these can be used in the same way to contribute toward any chargeable sessions. For families claiming Universal Credit Childcare, we are able to provide invoices or receipts as needed so parents can upload them when submitting their claim. We also welcome children who are attending on a fully funded basis, with no additional payments required unless parents choose optional extras such as extended hours or paid activities.
