Big ideas/Substantive Concepts

COMMUNITY

- A group of people living in a place, such as the seaside community Mary Anning lived in.
- It can also mean a group of scientists from all over the world.
- David Attenborough studied how animals live together as a community. Scientists call that an ecosystem.

KNOWLEDGE

- The formulation and advanced use of knowledge by great thinkers.
- Mary Anning brought knowledge of dinosaurs to the scientific community. She helped them know about the past.
- David Attenborough brought knowledge of living things into our homes through film and photographs. He showed the scientific community how amazing and important living things are to our planet.
