## Key Vocabulary

Womb  
Conception  
Birth  
Life before birth.

birth  
childhood  
adulthood death  
grief  
life cycle  
loss

## Spring 1

Module 1: Created and loved by God

Unit: Life cycles **Y4 only**

Sessions: Life Cycles

A Time for everything.

## Outcomes:

Children will learn:

- That they were handmade by God with the help of their parents
- How a baby grows and develops in its mother's womb including, scientifically, the uniqueness of the moment of conception
- How conception and life in the womb fits into the cycle of life
- Understand what 'death' means
- Learn about some feelings often connected with grief
- Know what the Christian faith says about death and eternal life
- Explore some ways to support themselves and others when they are grieving

## Making connections to prior learning

KS1-

- Learn and appreciate that there are natural life stages from birth to death, and what these are
- What 'death' means
- Learn About some feelings often connected with grief
- Learn What the Christian faith says about death and eternal life
- Some ways to support themselves and others when they are grieving
