

Questions

How might the father have felt when his son left home?

How do you think the son felt when he had lots of friends and lots of money? What about when all of his money was gone and he had to get a job feeding the pigs?

How do you think the son expected his father to treat him when he went home?

Was he surprised? Why?

If the father is like God, and we are like the son, what can we learn from this parable?
