

Questions

Would you say "I love you to everyone"?

Do we have control over who is in our family? What about friends? Is any family better or worse than any other? Or are they just different? Can you think of another family we are all part of? Can relationships be fixed when things go wrong? What is friendship? What is the difference between a group of friends and a clique?

How does it feel to be left out? When might you feel pressured? Do we have to be good friends with everyone all of the time?
