A Specialist Visual Arts College

15th May 2018

Dear Parent /Carer,

From the 25th May 2018, new regulations will be introduced which affect how our school handles people's data. This is called the General Data Protection Regulation. Compliance with the regulations will be an ongoing process and the school has appointed a data protection officer to advise and manage compliance with the regulation. Full details of our data protection officer can be found on our website: www.saintpetershigh.wigan.sch.uk

We will be publicising policies and procedures and notices that are compliant with the new regulations in the coming months and will keep you informed of any developments. For the time being, we need to let you know that we have updated our Privacy Notice, Data Protection Policy and Data Breach Policy and that your child's data will be handled in accordance with these legal principles.

Should you have any questions about the new regulations and how this might affect you, please refer to our website.

In the meantime we thank you for your patience whilst we take the necessary steps set by the new legislation and guidance with handling data.

Yours sincerely
