Dear Parent/ Carer,

ARCHDIOCESAN SCHOOLS BUILDING FUND REQUEST

Many parents are unaware of the fact that Catholic Schools are supported financially by the Catholic Community. In order to provide youngsters with a Catholic Education, a proportion of the costs of all repairs, maintenance and new building work has to be found, with shortfalls subsidised from our school budget, taking money away from other projects, so we appeal to you for your support.

Parents are asked to support this enterprise by donating funds to the Archdiocesan Building Fund so that the future of Catholic Education is assured.

We have been asked to obtain **annually £10.00 per family** as a contribution towards the Fund. Contributions will be requested through your child's SCOPAY account (the school's online payment facility). Only one payment is requested per family, so if you have more than one child at the school, the maximum we will ask you to pay is £10.00. Payment can be made by logging into your child's SCOPAY account and clicking on the payment request button.

Having chosen a Catholic Education for your child I hope you will support the Archdiocese and contribute so that your child will benefit.

Yours sincerely,

A McGlown (Mr)
