ATL Grade	Descriptor
Very high standard	Your child consistently demonstrates a highly positive attitude towards language learning. They are motivated to work independently to widen their vocabulary and consolidate their understanding of grammar. They always complete homework tasks, including Textivate challenges or vocabulary learning to the best of their ability. They are always keen to share their answers and ideas in the classroom and they are not afraid of making mistakes.
Good	Your child shows a positive attitude towards language learning. They participate well in class and they usually complete independent learning tasks including Textivate and vocabulary consolidation to a good level.
Below expectation	Your child's attitude to language learning could be better. They do not give to the best of their ability in the classroom and they could apply themselves better in their independent learning. We will continue to support them and to help break down any barriers to learning so as to help them to improve their outcomes.
