Second-Hand Uniform

St Peter's Catholic High School operates a Second-Hand Uniform Scheme to help reduce the cost of school uniform for families and to support environmental sustainability through the reuse of good-quality clothing and footwear.

Families may donate clean, good-quality items of school uniform, PE kit, and school shoes throughout the year via the school reception. Donated items are made available free of charge to current and prospective St Peter's families.

The school holds termly second-hand uniform events where families can view and collect available items. Details of these events will be communicated to parents and carers in advance.

Further information about the scheme is available from the school office.

All pupils at St Peter's must wear a uniform, we believe in creating a strong ethos, having pride in our appearance and having a sense of belonging to our school. We feel having a uniform:

- 1) reduces social exclusion based on what you are wearing.
- 2) Is cost effective for parents
- 3) Promotes safety.
- 4) Makes students ambassadors in the community
- 5) Supports discipline and good behaviour

"A learning and serving community enriched through friendship and Christian faith"

These styles of trainers or casual pumps are not allowed. This is not a definitive list and other similar brands would also not be allowed. Please check with form tutors if in any doubt.

These styles of shoes and boots are allowed but we ask that laces should be brown or black to match the shoes or boots and that the logo attachments on the laces such as the 'Kickers' leaf is removed. This is not a definitive list so please check with form tutors if in any doubt.
