

# *Learner of the Week*

## Focus – Teacher's Choice

### Africa

**Elora** – For fabulous sharing, you are so kind to your friends at Nursery Elora, you superstar!

**Erza** – For fabulous phonics, you always try so hard in all our phonics sessions Erza, Super blending!

### Antarctica

**Sophie** – Your writing this week has been fantastic, you remembered capital letters, finger spaces, and full stops. You used all of your phonics for spelling and your handwriting is beautiful!

**Arthur** – Over the year you have really built up your stamina when writing. You are really using your phonics and thinking very carefully.

### Australia

**Mara** – For your brilliant contributions in our maths lessons, you always show excellent learning behaviours and demonstrate your understanding so well by sharing your knowledge with the class – well done!

**Baxter** – For your lovely discussions during our PSHE lesson this week, you came up with some wonderful ideas on what we can do if we're feeling lonely, and how we can help others too, showing just how caring you are.

### Europe

**Hassan** – For showing true resilience with your learning this week and working so hard to remember our learning behaviours both in and outside the classroom! We are so proud of you!

**Max** – For the fantastic effort you gave towards your Fractions Maths challenge! I can see how much you have learnt during this topic and you were able to apply so much of that knowledge during the activity – you should be so proud of yourself!

### Asia

**Jasmine** – For your fantastic effort in writing this week. You are taking the time to say your sentences out loud before writing and are growing in independence. Well done!

**Abdurraheem** - For working so hard on your reading this year. You have truly blown us away with your progress and are becoming such a confident, fluent reader!

### South America

**Arnie**- For always putting your hand up and giving your brilliant ideas about topics we are discussing in the class. You always show the Strathmore values of being kind, safe and respectful. Well done!

**Norah**- For your brilliant effort with your maths block diagrams and tally charts. You always use your maths reasoning skills well to explain your answer. Great job!

### North America

**Ophelia** – For being such an enthusiastic and inquisitive member of the class. Your contribution to lessons across the year has been wonderful, and it has been a joy to see you so engaged in your learning. Thank you!

**Kye** - For all of your work across the year so far. You take time, care and attention with all the work you produce and it shows in your wonderful presentation.

# *Word of the Week*
