

Week commencing: 26th January 2026

<p>Whole school</p>	<p>We hope you all enjoyed our Learning Fair last Friday and the opportunity to see your child's books.</p> <p>Calendar Updates</p> <p>We're excited to announce that we're launching a new system for managing our events - it's called Calendar Go and is designed to help schools and parents manage school and local events. Calendar Go syncs with your Google or Microsoft Outlook calendar and once you have connected yours and subscribed to our school you should get all our events in your calendar automatically.</p> <p>You can edit your preferences if you only want to hear about events which affect the whole school or a specific year group (e.g. Year 1 or Reception) and there is a mobile app which has lots of useful features (like local events listings and even bin collection reminders)!</p> <p>Strathmore parents and carers can sign up for free using this link: https://app.calendargo.ai/register?org=strathmore</p> <p>The developers welcome your feedback, and you can contact them by email at support@calendargo.ai for any assistance or queries you have around the new system.</p> <p>For full information on Calendar Go please see https://app.calendargo.ai/ For a quick start guide on subscribing to our events see https://app.calendargo.ai/strathmore-signup/</p>
<p>Class information and reminders</p> <p>Weekly Blogs Strathmore Infant and Nursery School</p>	<p>Reception – Following the Reception Phase 3 workshop, please find the PowerPoint on our website here. Thank you so much to everyone who came for giving up their time and for bearing with us for the technical issues!</p>
<p>Upcoming dates for parents / carers to be in school</p>	<p>Workshops</p> <p>We are excited to welcome parents and carers into school for a behaviour workshop for all parents – 4th February 9am - 9:45am. We will share how we teach children about their emotions and how to regulate.</p>
<p>FOSSA events</p>	
<p>Other updates (wraparound, governor visits, etc)</p>	<p>We have been successful in being re-awarded the BPTAA (Better Practice Teaching Assistant Award) for another 3 years. Thank you to all the staff who worked hard to achieve this award. The consultant was really impressed with our team at Strathmore and shared that 'The day to day running of Strathmore is clearly enhanced and improved by its highly trained, professional group of Teaching Assistants.' We are so lucky to have a team who work incredibly hard to support our children and improve pupil outcomes in the most effective way.</p>
<p>Did you know?</p>	<p>SPACE Herts provides valuable support to families and children. The organisation offers a variety of workshops, events, and parent groups designed to deliver guidance, practical advice, and a supportive community. Participation allows families to connect with others, share experiences, and access resources that help children flourish. For further details on upcoming sessions and opportunities, parents are encouraged to engage with SPACE Herts and make use of the services available.</p>
