

 *Learner of the Week* 

Focus – Looking after our OPAL resources

Africa

Jadiel – For exploring the classroom and trying lots of new things at Nursery – Well done Jadiel
Zachary – For being really brave and trying new foods, good job Zachary!

Antarctica

Rafi – You show great responsibility when helping tidy up at lunchtime.
Wilbur – You always tidy up without needing to be reminded and show respect for our resources.

Australia

Fionn – For your fantastic tidying up every day at lunch time, you set an excellent example to everyone!
Amira – You are very respectful of our resources both on the playground and in the classroom. Thank you for always tidying up properly, you are a star!

Europe

Mabel – For always respecting our resources and tidying up after yourself and others!
Alex – You can often be found in the Loose Parts area of the playground and are always tidying up after yourself, after your peers and ensuring the area is safe and ready to use the next time!

Asia

Poppy & Oliver S - Thank you both for always looking after our Opal resources and helping keep every zone tidy, even when you weren't playing there. You are absolute superstars!

South America

Sophie- For always respecting and taking responsibility of our resources in the playground zones and in the classroom. Thank you, Sophie!
Arnie- For helping your friends with tidying our playground resources and taking care to put toys in the correct boxes and zones. Well done, Arnie!

North America

Liliana and Maggie – The adults on the playground have seen you playing wonderfully and treating our OPAL resources with such respect. You always tidy them away properly when asked and help others tidy them if they need help. Thank you!

Word of the Week

	Word	Meaning
Nursery	dot/spot	A small round mark.
Reception	Uniform	A set of clothing that is worn by an organisation or group. Uniforms help us to identify a group of people.
Year 1	Mondrian	Mondrian was an artist who loved using straight lines and bright colours. He made pictures using squares and rectangles, usually in red, blue, yellow, black and white. His art looks a bit like a colourful grid. This week, we made our own artwork in his style!
Year 2	Bulb	A bulb is a special part of some plants that grows underground. It stores food for the plant when it's not actively growing. We planted some Ixia bulbs in the allotment this week!
