

# RECEPTION AUTUMN TERM

## AUTUMN A – WHAT MAKES ME, ME?

## AUTUMN B – WHAT IS ALL AROUND ME?

### Communication & Language

We will develop our confidence when following instructions and asking questions. We will also talk about things we like doing and the world around us.

### Personal, Social & Emotional Development and PSHE

- We will learn all about our learning environment and how to look after it. Our grown-ups will show us how to behave at school and how to be kind, respectful and safe.

We will also learn how to protect ourselves, each other and the environment.

### Music

As musicians, our first topics are 'me' and 'my stories'. We will listen to and appraise some new and some familiar songs.

### Expressive Arts & Design

As artists and creators, we will be using natural resources to create pictures outside and on paper. We will complete line drawings, paintings and collages.

### Physical Development

The children will have daily opportunities to practise and strengthen their fine and gross motor skills both inside and outside. They will have access many resources including: bikes, monkey bars, sand, tweezers and writing implements. Our learners will also have weekly PE sessions.

### Maths

As mathematicians the children will be meeting the Number Blocks and working to understand the numbers from 1 to 5. We will count, subitize and represent amounts with objects.

### Understanding the World

As explorers of our world, we will discuss our families and how we and our families are unique. We are also going to be discussing the world around us, thinking about countries and continents, special buildings and the outer space.

### Literacy

Using our phonics knowledge, we begin recognising the initial sound of words and progress onto reading and writing CVC words.

### Phonics

We will begin our journey to learn all the 44 phonemes in English with the help of the Monster Phonics monsters!

We will begin recognising the grapheme and phoneme and learn how to blend to read and write.
