

Year 2 Summer Term 2025

Computing

In computing we are learning to create digital music on the computer. We will be using Chrome Music Lab to compose our own pieces.

Religious Education (RE)

In RE we will explore the Tibetan Buddhist New Year holiday, Losar. We will then move on to the Hindu celebration of Navrati.

Music

In Music we will be learning Pop, Western Classical and the songs for our Year 2 Play!

Magnificent Monarchs

Art

In Art we are exploring various royal portraits. We will then go on to recreate our favourite image, concentrating on what royal portraits should include.

DT

Here we learn about sewing patterns and will learn to thread and sew a needle.

History

Here we will be looking at significant Monarchs from different periods of time. It will start with a special Castles Day workshop and finish with a debate on who made the most impact!

PSHE

In our PSHE lessons we are discussing who helps to keep us safe? We will also look at why relationships are important.

Science

In Science we are looking at Animal Survival. We are exploring Microhabitats, and will look at life cycles, food chains and what animals need to survive.

Physical Education (PE)

In PE we are working on our Athletics, Ball skills, Striking and Fielding and Invasion games.
