

Monday Memo @ Strathmore

Week commencing: 14th October 2024

Whole school	<p>As part of our safeguarding processes we need to inform parents and carers that we work alongside the police in a project called Operation Encompass. If there are any incidents with domestic abuse, the police inform the school so we can support the child and family. Their aim is to enable staff to ensure all children experiencing domestic abuse have the right support, no matter where they live and that staff understand how to offer support. For more information you can access the Operation Encompass website here or the school website has the 10 key principles and the pathways on our Safeguarding page.</p> <p>Learning Reviews (previously known as Parent Consultations) - Booking is now open on Arbor for 22nd and 23rd October 2024.
