

## *Learner of the Week*

### **Focus - Asking for help**

#### **Africa**

**Elora** - For showing an adult when you need help.

#### **Antarctica**

**Muhammed** - You have started to ask your adults for help when you need it.

**Jeeya** - You are really confident in our learning environment and you now happily ask for help when you need it.

#### **Australia**

**Zahraa** - For your developing confidence in the classroom and seeking help when you need it.

**Rose** - For asking for help when you need it with your writing - you are so determined and are working so hard!

#### **Europe**

**Finlay** - Finlay, you have made Miss Begum and I so proud of you this week with how hard you have worked on your learning, your resilience and perseverance to do the best that you can do. Well done!

**Ruben** - Ruben, you have also been such a superstar with your learning this week, despite feeling a bit under the weather! You are asking for help more often but are SO proud of yourself when you complete something on your own.

#### **Asia**

**Sophie & Matteo** - For always remembering the importance of asking for help.

Whether it be to read a difficult word or help with writing, you both realise its importance to support you to go further with your learning.

#### **South America**

**Scarlett** - For asking for help when she is unsure of something.

**Archie** - For asking us to explain again if he doesn't understand.

#### **North America**

**Arthur** - For identifying when he needs help and asking for it! Well done.

# *Word of the Week*

**Eleonore** - For being brave and asking when you are unsure of something.

	Word	Meaning
Nursery	Autumn	The season when warm summer temperatures gradually decrease to the cold of winter
Reception	Nocturnal	An animal that is active at night and sleeps during the day.
Year 1	Apology	A regretful acknowledgement of a particular action.
Year 2	Journey	Travelling from one place to another.
