

## *Learner of the Week*

### **Focus - Showing care for our environment**

#### **Africa**

**Albie-** For looking at the irises and crocuses in the garden carefully and naming the leaves and flowers.

#### **Antarctica.**

**Nathaniel** - You are able to make suggestions to help bring more wildlife into our school grounds.

**Rowan** - You are interested in pollinators and know that they help plants grow,

#### **Australia**

**Ada** - For your wonderful contributions during our circle time this week, explaining how we can care for both our Reception environment and our world.

**Daisy** - For your wonderful tidying every single day. You work so hard to keep our classroom tidy and safe, thank you!

#### **Europe**

**Ruby** - For always being so willing to empty our compost bin at the end of every playtime (and for always reminding Mrs Smith that we need to take it outside with us!)

**Ophelia** - For being such a conscientious member of Europe Class - you always notice the small details both inside our learning environment and outside and you care so deeply about the world around you. You are both such special little girls!

#### **Asia**

**Noah & Jack** - For the absolutely brilliant job you did just before half term litter-picking the playground during one of your Forest School sessions. You were both so dedicated and showed such enthusiasm for looking after our school environment.

#### **South America**

**Lois** - As one of our ECO council members in the class, you demonstrate care for our environment and are always so helpful in taking care of and recycling materials in our class

**Kiara** - You are always so considerate of our school environment, helping to keep our classroom safe and tidy and being a super ambassador in the playground too.

#### **North America**

**Noah** - You are always first to volunteer to help around the class. You treat the classroom with respect and keep it tidy, ensuring paper is always in the recycling!

**Calliope** - You have a fantastic understanding of what we can do to protect our planet and our immediate environment. You are so kind and considerate!

## ***Word of the Week***

	<b>Word</b>	<b>Meaning</b>
<b>Nursery</b>	herbivore	An animal that eats plants.
<b>Reception</b>	History	The study of past events.
<b>Year 1</b>	Noun	A word used to identify people, places or things.
<b>Year 2</b>	Tense	How we change a verb to indicate the time.
