

## *Learner of the Week*

### **Focus - Demonstrating amazing first aid skills**

#### **Africa**

**Ellie** - For looking after their friends if they hurt themselves.

#### **Antarctica**

**Maxi** - For being very responsible and knowing if he needs to have some medicine.

**River** - For taking care of people if they are hurt and letting an adult know.

#### **Australia**

**Lily** - For confidently explaining what to do when facing an emergency.

**Josh** - For being a kind and comforting friend when someone is hurt.

#### **Europe**

**Florence** - For having the confidence to recognise when she or one of her peers is not feeling right and knowing who to seek help from.

**Matthew** - For using fantastic and mature descriptions when explaining what to do in an emergency. You have the most wonderful vocabulary, Matthew!

#### **Asia**

**Hattie** - For always being such a kind and empathetic friend to someone who is not feeling well.

**Winnie** - For the confidence you have to say when something is not right, whether it be for yourself or others, you always know when to ask for help.

#### **South America**

**Francis** - For comforting his friend when they were hurt.

**Thea** - For being kind, calm and comforting, and reporting to an adult when someone is hurt.

#### **North America**

**Liv** - For seeking help if she is hurt, or one of her friends needs help.

**Florence** - For understanding how to keep our bodies safe and healthy, and knowing what to do in an emergency.

## ***Word of the Week***

	<b>Word</b>	<b>Meaning</b>
<b>Nursery</b>	wind	The movement of air that blows the trees.
