

## *Learner of the Week*

### **Focus - Showing good presentation in our learning in Maths**

#### **Africa**

**Albie** - for sharing your knowledge of the number blocks with your friends.

#### **Antarctica**

**Oscar** - You are working hard with your number formation and number facts, well done!

**Sia** - Your number formation is very careful and you are always confident to answer questions in our maths sessions.

#### **Australia**

**Nimrah** - For your developing confidence to put your hand up and answer questions in maths. I'm so proud of you and you have so much knowledge to share!

**Michael** - For giving excellent explanations in maths this week - confidently recognising more and less using mathematical language.

#### **Europe**

**Serayah** - For working so hard on ensuring all of your numbers are correctly formed and as neatly in the boxes in your Maths book as they can be!

**Ruben** - For not only working incredibly hard on the presentation of your numbers this week, but for working SO hard in your Maths learning overall! Your attitude towards all of your learning is so special to see.

#### **Asia**

**Noah** - For working hard with your maths learning this week. Your passion for maths is clear, and it is lovely to see you be proud of your work!

**Melanie** - For always working so hard on your Maths. You always form numbers with care, and consistently take the time to check your work.

#### **South America**

**Otto** - for working really hard to improve the presentation of your maths work, remembering one number per box, and challenging yourself in all aspects of your work.

# Word of the Week

Sianna - We are so proud of your growing confidence to share your ideas during your Maths learning. Your problem solving this week was fantastic, identifying your strategies and recording your work wonderfully well. Well done!

## North America

**Bertie** - For persisting to improve his presentation. You have worked so hard and listened to all feedback to improve your number sentence writing. Well done!

**Elsa** - For remembering to use one square per number and presenting her subtraction number sentences beautifully and clearly.

	Word	Meaning
Nursery	Lunar New Year	A festival celebrated across Asia to welcome the new year.
Reception	Punctuation	To use full stops, exclamation marks and question marks at the end of sentences.
Year 1	recount	A recount is a text that explains an event in chronological order.
Year 2	Non-Fiction	Something that is factual and based on the truth.
