

Learner of the Week

Focus - Being safe

Africa

Orla - For helping to keep the cloakroom tidy so that her friends didn't trip over.

Antarctica

Layla & Ollie - For both always recognising how to keep yourselves and others safe in reception, you are both wonderful role models!

Australia

Michael - For your fantastic tidying up around the classroom, making sure reception is safe for everyone.
Lorenzo - For learning how to very safely get yourself all the way across the monkey bars - we are super proud!

Europe

Daisy - For always tidying away everything you see and ensuring our classroom is a safe, calm and supportive space for us to learn and play.
Liliana - For being a fantastic role model for how we should learn, play and move around Europe Class. I learn new things from you each day!

Asia

Quinn - For always helping to tidy the classroom with such eagerness, keeping it safe for you and your peers.
Louis - For consistently representing our school values to be kind, safe & respectful.

South America

Rory - For always ensuring that he is behaving safely in the classroom.
Hugo P - For making sure that the classroom is a safe place for his peers.

Word of the Week

North America

Rosie - For good listening and safe behaviour around the campfire in forest school.

Kiran - For always following instructions and listening, and making the classroom a safe and welcoming space.

	Word	Meaning
Nursery	fireworks	Devices that burn or explode to make noise, bright lights, or brilliant colours.
Reception	Pitch	A sound in music which is either high or low.
Year 1	Addition	The process of calculating the total of two or more numbers or amounts. <i>Year One's definition: Addition means when you add one number to another number to create an even bigger number!</i>
Year 2	City	A large town that has a Cathedral.
