Our Vision

Our Wraparound Provision

At Strathmore we provide wraparound care for our pupils from 7.45am until 5.45pm. This includes the following options:

- Breakfast club: 7:45am - 8:45am
- Nursery Lunch Club: 11:45am - 12:45pm
- After school provision: 3:15pm - 5:45pm

All of our sessions are run by staff trained and employed directly by the school.

Our vision is to ensure our pupils feel welcome, safe, happy and respected in each provision on offer. Children should feel like this time is an extension to their school day and have an opportunity to socialise and continue to build relationships with pupils and staff. Our wraparound vision is closely linked to our whole school vision which can be found on our [website](#).

In order to ensure all our attendees have access to a range of activities that suit all their needs, we spend time talking to our pupils to discuss their interests and likes on a regular basis.

In all our wraparound provisions, we follow the school's Child Protection and Behaviour Policies which can be found on our school website.

A termly newsletter will be shared with parents and carers for you to see what your child(ren) has had access to.

What's on
offer?

Our environment set up

Let's get...

Most of our activities will be split up under a title of 'Let's get...'. These will be planned over a 3 week cycle. Our aim is to have an environment that is similar to our Early Years approach, which includes key areas that remain consistent and are enhanced throughout the year. They will also have resources they can choose to use independently and follow our approach *'Choose it, Use it, Put it away.'*

Other options

Our pupils have access to an amazing environment both inside and outside. The grounds include allotments, 2 large playgrounds, play equipment, field during drier periods, Forest School area, Rainforest (sensory space), dining room, hall space, library, children's kitchen, and other classrooms if needed.

Let's get...

Creative	Painting, cooking, drawing, colouring, junk modelling, clay, etc	Talking	Guided social opportunities including board games, circle times, mindfulness activities, sensory walks.
Active	A selection of structured activities included in the session such as yoga, multi skills, dance, access to Forest School area. This is in addition to full use of our outdoor spaces.	Chilling	Down time in the Rainforest room with bean bags, books, calming music, fiddle toys. This is a smaller room next to the main area.
Reading	Group visits to our school library to read independently, in small groups or story telling time.	Eco-minded	A focus on sustainability, how we can be eco-friendly and activities which improve our school grounds.
Cooking	Time to cook, learn to prepare food, plan for themed events, etc. Use produce from our allotments.	Thinking	Challenges to solve linked to curriculum areas such as Science, DT, English, Maths, etc.
Building	A range of construction activities such as hollow blocks, plus plus, lego, duplo, etc	Eating	Children will be encouraged to help themselves to food options (with adult guidance) and eat within the Restaurant like we do at lunch times.

A work in progress

We want our wraparound provision to be the best place for our pupils as possible. This means it will take time to build on our ideas, incorporate theirs and build up our resources and systems. We will update this space as we continue to develop.

06 FAQs

FAQs

Will I need to rebook
my child on each
year?

No, once your child has a place at any of our provisions, it is theirs until they leave Strathmore or you inform the office you no longer require the provision.

My child has SEND
needs. Will you be
able to accommodate
them?

All children are welcome. Please speak to the office so we can discuss options, consider staffing requirements if needed and training.

Can I use my 30 hours
to attend nursery lunch
club?

Yes. You can use 15 hours in the morning sessions, 5 hours for lunch provision and have 10 hours to use with another provider.

Do you offer any
discounts?

If your child is entitled to Pupil Premium funds you can have one free session in one of our wraparound provisions a week. We do not currently offer sibling discount.

Can my child attend a
mixture of the after
school sessions?

At this time, we ask for you to identify a best fit. If you need wraparound most days until 5:45pm then choose this option. For odd sessions, please speak to the main office so we can check staffing ratios.

Why do we need to
pay in advance?

We need to ensure staffing ratios for each term and cover costs. Sessions cannot be refunded unless 48 hour notice has been given.
