Dear Parent/Carer

Family involvement – Community Café

It is vital that as a school we have strong relationships with our families. For the previous 2 years we have invited friends and family to our individual assemblies. Attendance at assemblies varied greatly. Therefore we would like to try something new this year!

Each year group will host a community café for their friends and family to attend. The café will be held in our dining hall. It will run from 2 – 3 pm. During the café groups of pupils will take their visitors to their classrooms to experience the environment that their child learns in.

Please refer below to year group dates:-
