

## Hedgehogs Learning Update

### Week Ending 09.02.2024

This week, we've built our pavilion structures, written up our journal recounts of Our Tower and learnt more about the Mediterranean Sea. It's been very busy! After half term, we have one more lesson for our geography and history topics, ready to start the next units.

Have a lovely half term break!

Miss Haycox & Miss Badger

### Maths

This week, we have started our unit on graphs. This has meant we have been interpreting pictograms, bar graphs and line graphs, as well as having a go at drawing bar and line graphs. As we are halfway through the topic, rather than setting homework linked to this, I've uploaded a daily times table booklet for them to practise their 6 x tables. This is another way for them to practise that quick fire recall that they need ready for the multiplication check.

Ultimate Times Table  
Daily Practice

connect.  
reflect.  
protect.

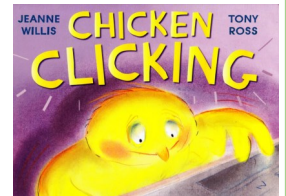

Safer Internet Day 2024

### Safer Internet Day

On Tuesday, in line with Safer Internet Day, we read 'Chicken Clicking' (QR CODE if you'd like to read it). Following this we had a great conversation in class, about the mistakes the chick had made and what they should have done at different points of the story. Children then completed a sheet thinking about what they use the internet for, what they would change about the internet and who their trusted adults are if they have a problem.

I've asked them to design a poster/information sheet that helps children keep safe online. They can use some of the ideas from Chicken Clicking to help them.

### Spelling

These are our spellings for the first week back after half-term:  
(prefixes *il-*, *un-*, *mis-* and *dis-*) unclear, disagree, misplace, illegal, impolite  
(Year 3 / 4 words) guide, knowledge, natural, notice, ordinary

I will share Spring 2's spellings on Family and Showbie, a paper copy should have been sent home too.

### A TT Rockstar Challenge from Miss Haycox

I have sent the children in the class a challenge on TT Rockstars to see if they can beat my score.

I have said that if any of the children manage to beat my score, they will get 3 HPS.

Encourage children to keep practising, especially on **studio** as it will tell them their Rock Status—a lot of the children are proud of improving their status!

### Upcoming dates

Monday 12th February—Friday 16th February—  
Half term

Monday 19th February— Term starts

Wednesday 21st February and Thursday 22nd  
February—Parents' evening

### Weekly reminders

**Mondays**—Reading books and library books  
changed (as needed).

**Thursdays**—PE (come to school in PE kit).

**Fridays**—Spelling test.
