

# Hedgehogs Learning Update

## Week Ending 22.03.2024

It's felt like a much longer term than just five weeks! Thank you for all of your support this half-term. We've completed lots of fantastic learning, including our art which had a final piece where we printed onto fabric. We had to work as a team to think about colours and patterns, so that everything matched. We're just over halfway through our history unit of The Roman Empire. It's been full of drama which we've loved!

We hope you all have a lovely break!  
Miss Haycox & Miss Badger

### A note about the homework

As it is a 2 week break, I've tried to include a lot of activities with the idea that children can pick and choose the tasks they want to complete. There is **no expectation to complete it all!** If you have a busy break ahead of you, reading, times tables and spellings are the only things I would strongly advise.

### Maths

On Showbie, there is a maths code breaker. All the questions are similar to our morning fluent in five maths, which the children complete as they come in.

Children should continue to practise their times tables, however they would prefer. It would be great if they could have a go at the practise multiplication check (QR code) each day.

**Spring Code Breaker**

Solve the calculations and use the code breaker to spell out the spring-themed words.

A	B	C	D	E	F	G	H	I	J	K	L	M

### National Science Week

Last week, was National Science Week. I did share this last week,

but in case you missed it, this website has experiments and investigations children can take part in. Once they have completed eight they receive a certificate. With the Easter holidays coming up, I thought I'd share it in case it provides some activities to keep the children occupied!

### Writing

On Showbie, there is a Spring Writing activity booklet. As mentioned, children can pick and choose what they would like to do. We have learnt about all of the things covered in the booklet, the **only** thing they might struggle with is how to complete a crossword!

Some of the writing activities could be longer, e.g. there's one about writing paragraphs related to spring, they could complete this separately if they are feeling inspired!

### Spelling

Here are our spellings for the 12/04/2024.

(adding ir- to words beginning with r ) irresponsible, irrelevant, irregular, disagree, misspell  
(Year 3 / 4 words) caught, different, imagine, heart, promise

We will be moving away from the spelling rules for a bit, to practise some of the spellings they struggled with from the assessments (spelling sheet on Showbie and sent home). Just in case you wonder why the words seem a bit more random!

### Upcoming dates

- Monday 8th April – Term starts
- Monday 15th April – INSET Day
- Monday 5th May – Bank Holiday

### Weekly reminders

- Mondays** – Reading books and library books changed (as needed).
- Thursdays** – PE (come to school in PE kit).
- Fridays** – Spelling test.
