Curriculum Map – Autumn 1

Team Hedgehogs

PSHE

The theme for this half term in PSHE is 'Being me In My World'. Its about rules, rights and responsibilities.

English Reading

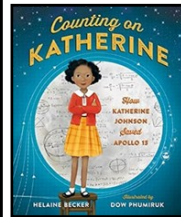

In our whole class reading sessions this half term, the children will be reading the following texts:

- Iron man
- A Stone for Sacha

They will be answering a variety of questions about these texts thinking about retrieval, inference, prediction, summarising and vocabulary skills.

English Writing

The text we will be focussing on in our writing lessons is 'Counting on Catherine' by Helaine Becker. The main writing outcome of this unit will be a non-fiction text. During this unit children will also focusing on the following grammar and punctuation:

- Expanding noun phrases
- Fronted adverbials
- Commas after fronted adverbials
- Using paragraphs

Maths

In maths this half term, children will start with a unit on Place Value to 10,000. they will look at building and partitioning numbers and fully understanding how they are made up (identifying tens of thousands, thousands, hundreds, tens and ones).

They will also start their unit on addition and subtraction, where they will learning and practising using the formal written method for both. They will also look at solving multi-step word problems involving addition and subtraction.

Science

In science children will complete a unit of work on Digestion and Food. They will learn about the human digestive system and how our body processes what we eat. They will also learn about the different types of teeth and their functions as well as dental hygiene.

History

In history this half term, children will be learning about Ancient Greece. They will be answering the over arching question 'What can historians learn about Ancient Greece from sources?'. Within the unit, they will learn about Athenian empire and democracy. They will learn about Greek architecture, arts, theatre and poetry.

Geography

In geography this half term, children will be learning about Volcanoes. They will be answering the over arching question "How do volcanoes affect a place?" Within the unit they will learn about the make-up of the earth and how volcanoes are formed, different types of volcanoes and why people choose to live near them.

RE

In RE, children will be learning about Judaism and why Jews celebrate Passover.

Design and Technology

In Design and Technology the children will be completing a unit on Textiles. Within this unit, they will design and sew a seasonal stocking. They will learn how to sew different types of stitches and know what each stitch is most use-ful for.

Music

In music, children will be learning about pitch, tempo and dynamics.

Computing

In computing, children will be completing the 'iSafe' unit where they look at staying safe online.

French
