

Personal, Social and Emotional Development

Children will continue to develop their social and emotional skills with Jigsaw Jenie. We will focus on 'Healthy Me'

- 
- Our bodies
 - Eating Healthy
 - Sleep
 - Hand washing and oral hygiene

Values

There will be an emphasis on the British Value of Democracy and how we can use this to make fair decisions in school.

Continued emphasis on the Characteristics of Effective Learning in the early years: playing and exploring, active learning and thinking critically.

WOW moments!

This half term the children will participate in lots of events within the school:

People Who Help Us Dress Up Day – **24.2.26**

Little Town Role Play – **9.3.26**

World Book Day – **5.3.26**

Easter Bonnets and Crafts – **25.3.26**

Foundation of Phonics

We will be practising a range of listening and oral blending games to develop children's phonological awareness.

Phonemes of the half term: **e u r h b**

Mark Making

The children will focus on continuing to write their name. They will be encouraged to use a developing tripod grip when writing.

Physical Development

Fine motor skills: Pencil grip and control when writing and drawing.

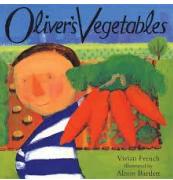

Gross Motor skills: Using large muscles to run and climb.

Children will continue to develop personal care skills, meeting their own needs and continuing to explore healthy choices about food and drink.

Book Focus

Our texts this half term is Zog & the flying doctor, Superhero like you, Oliver's Vegetables

The children will also spend lots of time exploring and sharing books.

Communication and Language

The children will:

- Continue to develop their communication and language skills, interacting with peers in provision.
- Continue to develop their language, being exposed to new vocabulary, and encouraged to use this during play.
- Have daily nursery rhyme time, exploring rhymes, alliteration, and voice sounds.

Mathematics

The children will continue to develop their number skills this term alongside using comparing skills to compare size, length, weight and capacity.

We will look at subitising, matching amounts and understanding number.
