

Monday 15<sup>th</sup> April

Dear Parent/Carer,

As you will have been aware we welcomed OFSTED inspectors to Streethay Primary School for our first OFSTED inspection early in March. Firstly, can I express our gratitude for the positive encouragement we received from the community during the inspection, this gave us the confidence to embrace the experience knowing we were supported.

After receiving the final report, I am delighted to inform you that Streethay Primary School has been awarded an 'Outstanding' judgement by Ofsted. We are extremely happy that the hard work of Team Streethay has been recognised and I am sure you will join me in congratulating everyone who contributes to our community.

Parents of older children at Streethay will be very aware of how much the school has grown and developed over the last 5 years. Having been the Headteacher since its opening, it was very emotional to hear the inspectors express how exceptional our school and educational offer is. We are ecstatic to share that we were graded 'Outstanding' in all of the OFSTED inspection areas:

- Quality of Education
- Behaviour and Attitudes
- Personal Development
- Leadership and Management
- Early Years Provision

The report starts with 'Pupils are given the best possible start to their education at Streethay'. There was a lot of very positive feedback about our culture and ethos. The inspectors recognised the success of our values and traits, which underpin all of our work. We are also proud of the fact the report references our 'highly ambitious curriculum' and 'exceptional progress' for all learners, including those with SEND.

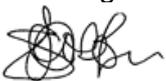

Please can I formally thank everyone who submitted feedback via Parent View or spoke directly with the inspectors. We do strive to do the very best that we can, we will further analyse this feedback and ensure we address any development areas.

The inspection was quite key for us, especially as it was our first one. We knew before the inspectors visited that Streethay was an exceptional place to work and learn, so we are pleased the inspectors saw this authentically. The next steps for us are to process any direct feedback into action and continue striving to do the best that we can for our community. We are at an exciting time in our school growth, having just recruited our Year 6 Teacher! #Streethayrocks

Thank you again for your support, if you have any questions at all about the report, please get in touch.
