

PE

In PE, children will be completing units on dance and games (ball skills)

Curriculum Map - Autumn 2

Team Rabbits

PSHE

The theme for this half term is Celebrating Difference. We will be Celebrating the differences in everyone and understanding bullying and knowing how to deal with it.

English Reading

For the second half term of Year 1, the children will continue learning Phase 5 sounds and alternate GPCs. They will learn sounds such as; u (unicorn), in (whirl), ie (tie) and ue (argue/true) and split digraphs.

Further to this, the children will also complete three reads a week using books linked to their phonics knowledge. They will focus on decoding, prosody, comprehension, as well as identifying new vocabulary.

English Writing

The text we will be focussing on in our writing lessons is 'Katie in London' by James Mayhew. The main writing outcome of this unit will be a non-chronological report. During this unit children will also focusing on the following grammar and punctuation:

- Join words using 'and'
- Punctuate sentences using a capital letter and a full stop.
- Use capital letters for names of people and places
- Using suffixes -s and -es in words.

Maths

In maths this half term, children will move on to 'shape' and then they will move onto 'numbers to 20', ensuring they can read and write all these numbers correctly, count forwards and backwards to 20. Then when the children are secure we will start 'addition and subtraction within 20'.

Children will complete mastery in maths tasks to further deepen their understanding.

Science

In science children will complete a unit of work on Chemistry- Materials. They will identify the difference between objects and materials, and scientifically investigate the properties of materials. They will also begin to sort and group materials by their properties.

Geography

In geography this half term, children will be learning about 'Living in the Countryside'. They will study what life is like in the countryside and how this differs to living in a city. They will explore by looking at how land is used, what houses are like and how people stay safe. They will learn about physical features of the countryside including valleys and rivers.

History

In history this half term, children will be learning about the past from our families and communities. The children will delve deeper into the past looking at the lives of their family. They will look at how school, work and travel was different from their grandparent's 99era.

Music

In music, the children will be using their bodies and instruments to listen and respond to pieces of classical music that represent animals.

Art and Design

In Art the children will be completing a unit on mark making. Children will learn about different types of mark making techniques, and this will then lead onto the children producing a drawing that displays observational skill, experimenting with a range of lines and mark making.

RE

In RE the children will be learning about Christianity and the 'Christmas story'.

Computing

In Computing children will complete a unit called 'Algorithm' where they will learn that algorithms are a set of instructions that can be followed to complete a task.

Value or Trait of the Half Term
