

Friday 3rd May 2024

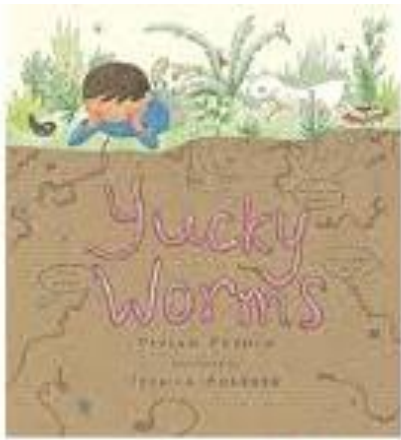

Below are some home learning suggestions, please upload any home learning onto **Family**.

What a great week in Team Daffodils! The children have enjoyed spending more time outside in the warm weather.

This week we've been practising our name writing, creating repeated patterns and exploring movements in our outside area.

Tales ToolKit

This week, we have finished off our 'Yucky Worms' story. We have used the story structure to create our own characters, setting, problem and solution.

Can you remember our characters?

Nursery Rhyme of the Week

It's Raining, It's Pouring

The children have really enjoyed this week's nursery rhyme. They've all joined in with the actions.

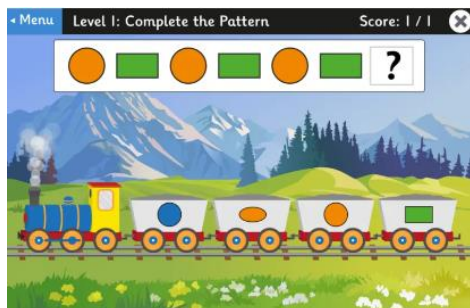

Can you sing our nursery rhyme of the week?

Don't forget the actions.

Linking numerals and amounts

This week, we have looked at repeated patterns. We've had the opportunity to create repeating patterns and extend ones on our board. We've also tested our shape and colour knowledge.

Have a go at home:

Additional Information

Summer Key information:

- **Daffodils have PE on a Friday. Please send your child in to school in their PE kits.**
- Monday, Tuesday and Thursday mornings are Forest School. **Please check that your child has a puddle suit and wellies, that fit, in school!**
- We will be continuing to use Family as our learning journal. Please look on Family for any 'WOW' or 'In the Moment Impact' moments for your child. We also welcome any home learning or experience observations that you would like to share too.

Thank you for your continued support.
