

## Friday 10<sup>th</sup> May 2024

Below are some home learning suggestions, please upload any home learning onto **Famly**.

What a great week in Team Daffodils! The children have enjoyed spending more time outside in the warm weather.

This week we've been practising our name writing, creating repeated patterns and exploring movements in our outside area.

### Tales ToolKit

This week, we have started reading 'Cora Caterpillar'. We have identified the characters, setting, problem and solution.

Can you retell the story of Cora Caterpillar?

### Nursery Rhyme of the Week

#### Mary, Mary, Quite Contrary

The children have really enjoyed this week's nursery rhyme. They've all joined in with the actions.

Can you sing our nursery rhyme of the week?

Don't forget the actions.

### Cardinal Principle

This week, we have revisited the cardinal principle. We have counted different amounts and identify that the final number we said is the number we have.

Have a go at home:

### Additional Information

#### Summer Key information:

- **Daffodils have PE on a Friday. Please send your child into school in their PE kits.**
- Monday morning is Forest School. Please ensure your child has a hat, suncream and wellies for this day.
- We will be continuing to use Famly as our learning journal. Please look on Famly for any 'WOW' or 'In the Moment Impact' moments for your child. We also welcome any home learning or experience observations that you would like to share too.

Thank you for your continued support.
