

## PE

In PE children will be completing units on athletics and tennis.

# Curriculum Map – Summer 1

## Team Orchard

## PSHE

The theme in PSHE is 'Relationships'. Children will think about managing changing feelings and worries alongside identifying support systems.

## English Reading

In our whole class reading sessions this half term, the children will be focusing on a variety of different texts including fiction, non-fiction and poetry.

They will be answering a variety of questions about these texts thinking about retrieval, inference, prediction, summarising and vocabulary skills.

## English Writing

During this half term children will continue to focus on a range of different stimuli, including books and short clips, to engage them in writing different text types. They will look to independently include a range of writing techniques including:

- Selecting effective vocabulary
- Using a range of adverbial sentence starters

## Maths

In maths this half term, children will be focusing on revising their learning from across year 6. We will be focusing on accurately answering arithmetic questions and pulling out key evidence from a question to determine what it is asking when reasoning.

## Science

In science children will complete the unit 'Animals including Humans' where they will be learning all about the heart and lungs. Within this unit they will consider what it means to be healthy and how our bodies keep us alive through stems such as the circulatory system.

## History

In history this half term, children will be learning about the Vikings. Within the unit they will be exploring Britain in the Viking Age with a particular focus on Lady of the Mercians.

## Geography

In geography this half term, children will be answering the overarching question 'How is migration causing change in the Shetlands?'. Within this children will be learning about migration, as well as the difference between immigration and emigration.

## Computing

In computing, children will complete the 'iProgram' unit. Within this unit they will be looking at designing and then developing 3D animations. This will include adding characters and objects to a scene and programming them to move.

## Art and Design

In Art and Design the children will be looking at the topic 'Paint and Mixed Media'. Within this unit they will complete artist studies considering the meaning and message behind paintings.

## Music

Children will learn about opera music with a focus on Baroque.

## French

In French, children will complete the topic 'Visiting a town in France'.

## Value or Trait
