

## PE

In PE this half term, children will be further developing their skills in athletics and field games.

# Curriculum Map – Summer 1

## Team Starlings

## PSHE

Our topic is 'Relationships.' We will be discussing safe friendships both on and offline, as well as self-esteem.

### English Reading

In our whole class reading sessions this half term, the children will be reading the following texts:

- Journey to Jo'Burg
- There's a boy in the girls' bathroom

Pupils will be answering a variety of questions about these texts thinking about retrieval, inference, prediction, summarising and vocabulary skills.

### English Writing

Our new English text will be "The Paper Bag Prince" by Colin Thompson. Over the course of the half term, children will be working towards writing a hybrid leaflet about waste management.

Our writing skills for the half term include:

- recapping modal verbs
- Using a range of devices to build cohesion
- Using the appropriate register in writing.

### Maths

We will be continuing our geometry unit. We will be thinking about acute, obtuse, and reflex angles, general angles facts, and how to measure angles accurately.

We will then look at describing position and direction using mathematical language.

Then we will be moving from position and direction into measurements, area, perimeter, volume and Roman Numerals.

### Science

In science this half term, we will be looking at forces, Earth, and space, exploring gravity, air resistance and water resistance. This module is sure to hold lots of fun experiments, including designing the most effective pulley system!

### History

In history, we will be looking at Norse Culture, which will link on from our last two topics looking at the Anglo-Saxons and the Vikings. Our focus this half term will be on looking at the connections and similarities that the Norse peoples has with other peoples.

### Geography

In Geography this half term, we will be learning all about North and South America, with a disciplinary focus on diversity. Our Geography skill will be looking at four figure references and thematic maps, and we will be discussing the various pros and cons of living in a mega city.

### RE

In RE, children will be learning about how the Siddhartha Gottama affects how Buddhists live.

### DT

In DT, children will be looking at the topic of 'Cooking and Nutrition,' where they will be designing and making a healthy sauce.

### Music

In music, children will be looping and remixing dance tracks!

### Computing

In computing, we will be completing the 'iWeb' unit, where pupils will learn about web design.

We will also be understanding the 'farm to fork' process, as well as welfare issues around raising cattle.

### French

In French, we will be looking at different verb forms.

Our Value this half term is:
