

PE

In PE this half term, children will be learning swimming and cricket.

Curriculum Map – Summer 2

Team Starlings

PSHE

Our topic is 'Relationships.' We will also be looking at 'Changing me', focusing on self-esteem and puberty.

English Reading

In our whole class reading sessions this half term, the children will be reading the following texts:

- The Anglo-Saxon Boy
- The Explorer

Pupils will be answering a variety of questions about these texts thinking about retrieval, inference, prediction, summarising and vocabulary skills.

English Writing

Our new English texts will be 'Bold and Brave Women from Shakespeare' and 'A Stage full of Shakespeare Stories.'

Over the course of the half term, we will be working towards writing a recount and performing a soliloquy! Our feature keys will include:

- Using a variety of tenses within writing
- Using adverbs to indicate degrees of possibility.

Maths

This half term we will be moving onto area, perimeter, volume and Roman Numerals.

In these units we will be looking at how to find the perimeter and area of various regular and irregular shapes. In our 'volume' topic, we will be revisiting finding the volume of liquids and beginning to find the volumes of 3D shapes.

Science

In science this half term, we will be moving onto a Biology topic of 'Animals including Humans: Human Timeline.' In this module, we will look at human development, changes through puberty, and how gestation periods differ in different animals.

History

In history this half term, children will be learning about Vikings in Britain. They will be answering the overarching question "How did the Vikings shape Britain?" and within the unit will learn about change and continuity across Britain.

Geography

In geography this half term, children will be learning about the interconnected Amazon. Within this unit they will explore how the Amazon is connected to the rest of the world considering trade, industry and environmental factors.

RE

In RE we will be looking at what Buddhist stories teach Buddhists about enlightenment.

Art

In Art we will be learning about the features of installation art and how it can communicate a message. Our focus artist will be Cai Guo-Qiang, and we will be exploring how life experiences can impact art. We will also be looking at how scale and location affect the way that people experience installation art.

Music

In music, we will be exploring Musical Theatre!

French

Our French topic will be on 'Meet my French Family.'

Computing

In Computing we will be exploring 3D modelling.

Our half term value is:
Curiosity
