

## Friday 2<sup>nd</sup> February 2024

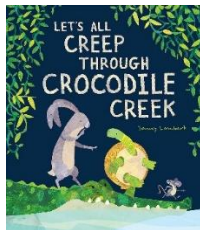

This week we have been reading our new book Let's all creep through the crocodile creek. We have also been reading traditional tales and creating our own version of the stories. We have discussed how to stay safe online and what to do if we need help.

We have looked at different environment that people live in. Such as Eskimos in Northan Canada. They have been very funny.

Below are some home learning suggestions, please upload any home learning onto Family.
