

## Friday 13<sup>th</sup> October 2023

This week we have enjoyed another week in Daffodils playing and exploring in the classroom.

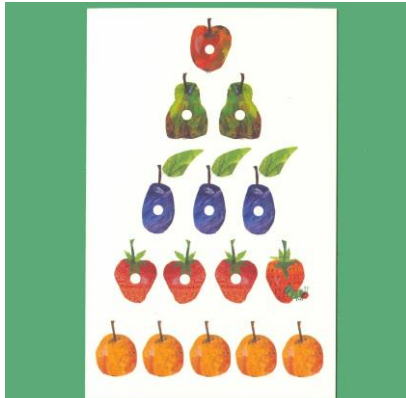

Below are some home learning suggestions, please upload any home learning onto **Famly**.

Miss Pitcher

### Maths

This week we have been exploring numbers to 5. We have been using a familiar book 'The Very Hungry Caterpillar' to count fruits.

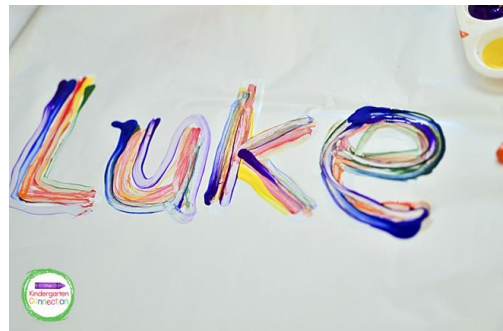

Can you find some fruits/vegetables for the hungry caterpillar? Find 1,2,3,4 and 5. E.g 1 carrot, 2 apples, 3 pineapples... Take a photo of your chosen fruit/vegetables for Famly.

### Fine Motor/Writing

This week, we have practised recognising and writing out names. We have been tracing our name using different resources such as chalk, pens, crayons, and paint.

Can you have a go at writing your name in rainbow colours? Ask an adult to write your name. Trace over it in red, then orange, then yellow until you have made a rainbow name!

### Marvellous Me Topic

*Thank you to those who have already shared their Marvellous Me boxes. We have loved seeing all your favourite things.*

Please bring your box in once it is ready to share. We will continue sharing these until half term. 😊

### BABY PHOTOS!

Over the next couple of weeks, we will be comparing what we can do now, with what we did as babies.

**Please can you upload a photo of your child as a baby to Famly.** The children will then take turns to share this photo and talk about how they have changed.

### Additional Information

- **Daffodils will now have PE on a Friday. Please send your child in to school in their PE kits. Thank you.**
- Famly is our new learning journal for your child. Please look on Famly for any WOW or in the moment impact moments of your child. We also welcome any home learning or experiences that you would like to share too. *Please be aware that we are no longer using Tapestry.*

Thank you for your continued support.

Miss Pitcher & Miss Griffiths 😊
