

BOOK REPORT

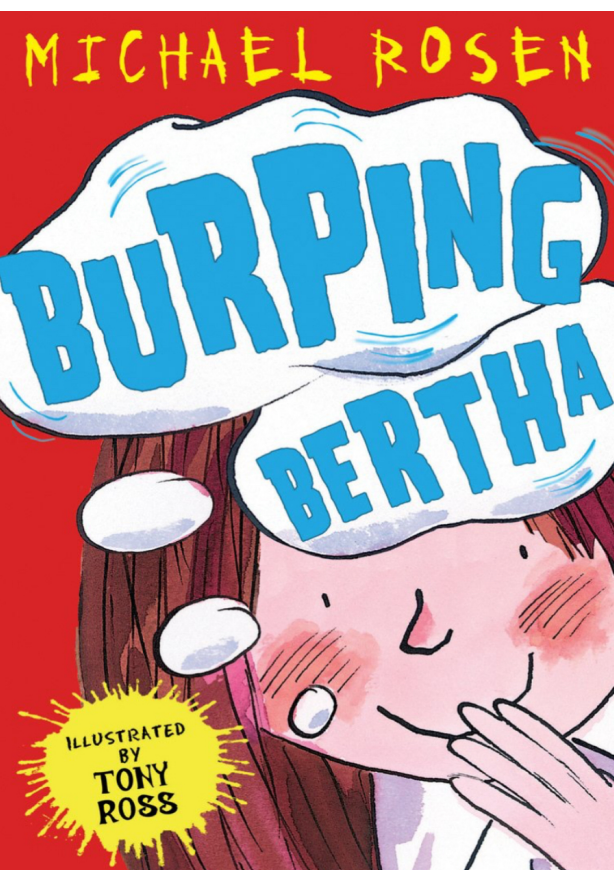

This book is so enthusiastic and has lots of humour in it! Burping Bertha is about a young girl 🧒 who one day she wakes up and lets out a huge burp, but it wasn't an ordinary burp it was so big that all the things in her room shook 😱 like mad! Bertha tries to convince her mum that she is ill so she didn't have to go to school but her mum knew and told her that she has to go to school! But in the middle of school she let out another HUGEBURRRRP!

Every single person was laughing and pointing at her, so at home she sat down and chilled. Can you guess what happens? That's right, she lets out a huge

burp but it is bigger than ever!

After an hour another one tries to erupt from her but she didn't let one out! Read to find out what happens to Burping Bertha.
