Weekly Maths Tasks (Aim to do one a day)

Daily Maths Lessons

- (See additional worksheet)

Mental Maths –

- Play on [Hit the Button](#) - focus on multiplication and division for 2,5 and 10 times tables.
- Working on Times Table Rockstars - your child will have an individual login to access this
- Practise addition and subtraction using [Top Marks](#).
- Practise one more and one less of any number up to 1000. If you're getting really good – try 10 more or 10 less.
- Addition and subtraction using column methods

Weekly Reading Task (Aim to do one a day)

- Listen to your child read and let them discuss what they have read. Encourage them to read with expression and intonation.
- Listen to a story on [Storytime](#).
- Watch [Newsround](#) and find out what is happening in the world. What did you find out? Is there anything you need help understanding?
- As your child to read a book they own or one from [Oxford Owl](#), discuss what your child enjoyed about the book and what could be improved.
- Complete a book review on one of the books you have read - what did you like about it? Would you recommend it to anyone?
- Explore new vocabulary you find when reading. What are the origins of this word? Can it be modified? Can you spell it? Can you use it in a sentence? Can you find any synonyms or antonyms for your new word?

Weekly Phonics/Spelling Tasks (Aim to do one a day)

- Practise the Year 2 CEW [Year 2 Common Exception words](#)
- Practise your spelling on [Spelling Shed](#).
- Practise your spelling on [Spelling Frame](#).
- Practice spellings on [Top Marks](#).
- Can you write all the Vowels? Can you write the letters that are consonants?
- Write 10 words on a piece of paper. Spell 5 of the words incorrectly and let your child 'mark' your work. Can they spot which spellings are correct and which are incorrect. Can they write the incorrect words correctly? Can they write them in a sentence?

Weekly Writing Tasks (Aim to do 1 per day)

- Write a recount from the point of view of one of the characters you have read about.
- Write a character description of a character from a book you have read? How do they behave? What do they look like? etc...
 - Write a story about your character, have they been on another adventure?
 - Write a fact file about a different character from a book you have read. What do you look like? What are your likes and dislikes?
- Follow [poetry4kids](#) and try out some new poems! See if you can write your own rhyming poem.

Learning Projects **(to be done throughout the week)**

These ideas aim to provide your child with opportunities to gain a better understanding of themselves, their families and the world around them. Give one a go every day, have fun!

- Time to Talk: Perhaps they could play a board game, facetime a member of their family they have not seen this week, enjoy a family indoor picnic or have a family dinner.
- Understanding Others and Appreciating Differences: Discuss how their family is different to other people's families. Discuss whether all families are the same? Does it matter? Do all families have the same faith? Do all families worship in the same way?
- Reflect: Find out what music their family members enjoy. Do they like the same music? What is their favourite song? They could listen to different pieces of music together with their family. Do they like/dislike any particular types of music and why? Can they identify the instruments they can hear and describe how the music makes them feel? Why not get them to listen to some of the classics?
- Be Active: [Go Noodle](#) with the family or have a family workout. Maybe try some yoga with your family. Recommendation at least 2 hours of exercise a week. Don't forget all of Joe Wick's videos are still available on you tube!
- There are also some Science activities and lessons if you want to have a go [Science Activities](#)
- Art: Look at the BBE Bitesize website for art lessons looking at the different art elements. Can you create a piece of art about your family? [BBC Bitesize Art](#)

Additional Learning

- [Classroom Secrets Learning Packs](#) - These packs are split into different yeargroups and include activities linked to reading, writing, maths and practical ideas you can do around the home.
- [Twinkl](#) - to access these resources click on the link and sign up using your own email address and creating your own password. Use the offer code UKTWINKLHELPS.
- [Headteacherchat](#) - This is a blog that has links to various learning platforms. Lots of these are free to access.
