

# St Saviour's C of E Academy

## Sun Cream Policy

Summer 2020

At St Saviour's CofE Academy, we acknowledge the importance of sun protection and want staff and children to enjoy the sun safely.

We will work with staff and parents to achieve this through:

### Education:

We will encourage children to sit/play in the shade where it is available.

### Timetabling:

Teachers will use their discretion about the amount of time young children will spend playing outside during the middle part of the day, depending on the weather.

### Clothing:

In the summer term children are required to wear school hats, when out in the sun. Staff should dress appropriately when out in the sun at school, to set a good example. Please ensure your child has a soft sun hat rather than a baseball cap.

### Sunscreen:

We will remind parents to apply sunscreen at home during the summer months and to ensure that their child brings a hat to school. There is a letter available for parents to print out and send into school if they wish staff to apply sun cream during the day. Parents must label the bottle sent in with their child.
