

Online Safety at St Saviour's Primary School

Online Safety information for Parents

Keeping children safe online at home can be tricky especially as things change so quickly. To help parents, keep you up to date we have provided parent guides to help support keeping children safe.

At School - **Safer Internet Day 2021** - all classes took part in lessons (virtually and in school for key workers) on how to keep safe online in addition to the online-safety work done through the computing curriculum every half term.

Latest Guidance

You may well be aware of a Netflix TV series called '**Squid Game**'.

Released in mid-September, it is now the most popular series on Netflix. However, it has a certificate rating of 15 years old due to its extreme violence, and so it is not suitable for primary aged children.

Children may not have watched it themselves but they may well come across it on the internet in one way or another. Please make sure that you continue to monitor what your children are watching on TV as well as what they are viewing online as well. This is always good practice and helps keep your children safe whilst online.

Please make sure that you set your profiles on Netflix to age-restrict content.
