

English

We will write a fantastic set of instructions about how to make a water rocket.

We will write a diary entry in role as Ernest Shackleton.

Geography

We will explore the journeys that were taken by Columbus and Armstrong. Can we map the different routes that they took?

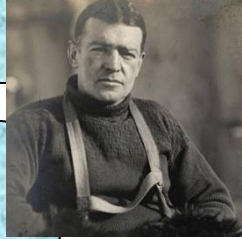

History

We will be asking questions and researching to investigate the lives of significant people - Christopher Columbus, Amelia Earhart, Shackleton and Neil Armstrong!

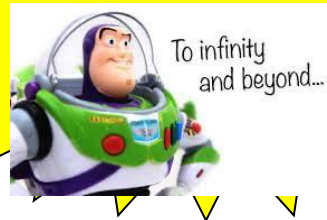

We will have a go at making our own timelines and ordering significant events.

Geography

We will revise our knowledge of the 7 continents of the world and learn about the 5 oceans!

Summer 2023 EXPLORERS

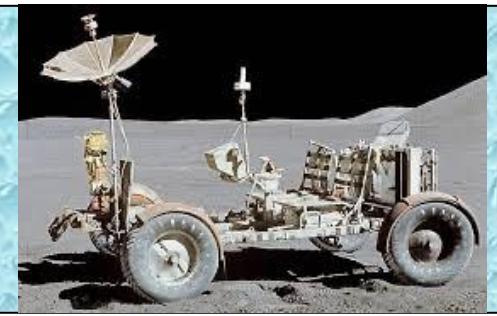

To infinity
and beyond...

Computing

We will use Scratch Jr to create an algorithm to design a programme all about space and exploration!

Design and technology

We are going to make a space buggy to help us on our exploration!

Memorable moment

Let's make a rocket and launch it across the playground! How far has it travelled?

Art and design

We will learn about the unique style of the famous artist Vincent Van Gogh. We will create our own 'Starry Night' pieces of artwork using mixed media.
