20th April, 2020

Dear Parents & Carers,

I hope you all had a restful Easter break and welcome to our very first remote summer term!

We've all had to adapt to new ways of working, so I wanted to take the opportunity to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

It's definitely been a strange and challenging time, so it's ok if you and your child feel wobbly and worried at the moment. We're here for you every step of the way as we figure this all out together. Remember, if you have any concerns about helping your child learn or you need any other support from the school, please let us know by emailing [office@stsaviours.academy](mailto:office@stsaviours.academy) or telephoning the school office.

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe. So, we're carrying on with children's home learning and with provision for vulnerable pupils and children of critical workers.

But just because we're not all in the same building, doesn't mean we can't have some fun together! Your children will have lots of activities they can get stuck into over the coming weeks – so keep a close eye on our school website Home Learning tab and see all of the activities that they can complete.

We also love seeing the children's fantastic learning at home – please keep sending their work in to us through the office email as we would like to showcase it on our website or on our Facebook page in due course.

We can't say yet when we'll be able to open the school fully, but rest assured that we'll continue doing our absolute best to keep your child learning and our school community connected.

Thank you for your continued support for all that we do at St Saviour's and for your thoughts and good wishes during these challenging times.

Take care and keep safe! Let's get cracking with our summer term.

Yours Sincerely,

Miss L Davis  
Principal
