

"Believe, Grow, Achieve with Christ"

To Reception Parents/ Carers,

We are so excited! Next Tuesday in our Religious Education lesson, we will be introducing different faiths to the reception children.

The faith we will be focusing on in this session will be Islam and we are very excited to present to the children how Muslim's show their faith to God.

To make this an engaging, memorable, hands-on experience for the children, they will be taking part in the following activities:

- *Dancing to Islamic music (Eid celebrations)*

- *Food tasting*

- *Dressing up*

- *Small Mehndi hand pattern*

This will be a small pattern painted onto the children's hands using vegan henna, if you wish for your child **not** to take part in having their hand painted or if there are any known allergens, **please let us know before Tuesday's lesson.**

Thank you for your ongoing support.
Mrs Goodwin and the Reception Team.
