

“Believe, Grow, Achieve with Christ”

Wednesday 10<sup>th</sup> January 2024

Dear Parents/Carers,

Friday February 2<sup>nd</sup> is NSPCC Number Day. We will be participating in a range of maths related activities that focus on measurement.

During the day we will be making comparisons and measuring. To help us do this could Nursery, Reception, Year 1 and Year 2 children bring in a 'large carrot'. Could Year 3, Year 4, Year 5 and Year 6 children bring in a 'large potato'. We will be carrying out activities around our carrots and potatoes, and hopefully having a lot of fun along the way!

- We invite all the children to come to school dressed up relating to a number. Ideas for dressing up include coming as a symbol, dominoes, characters that represent numbers or even a calculator! There are many ideas on the internet. Please have fun dressing up and let's enjoy maths.

Please contact me if you require any further information.

Yours sincerely,

Mrs Weir  
Maths Coordinator
