

Reception

Literacy

In Literacy this week our focus stories have been about police officers and fire fighters. We have looked at more detail in what these services offer and the children have talked about keeping safe and what to do in an emergency. Once again the children have completed some wonderful writing activities from captions and key words to writing in full sentences. 😊

Maths

This week in Maths we looked at numbers to 20, counting accurately to 20 and identifying the corresponding numerals to each of the amounts. The children completed 'colour by number' activities and also worked on their number formation when writing the numerals down.

I hope that they keep up the enthusiasm and hard work next week! 😊

Physical Development

We continued to progress with our ball skills in PE this week, with the children becoming more and more confident in throwing and catching, and building upon those all-important hand eye coordination skills. They worked well with partners and in teams as we ended our session with a game of 'Over! Under!' 😊

We have had a number of children coming in to school without PE kits, coats and school bags. Could we kindly ask that your child has a coat and bag in school in each day and that PE kits are in school on Wednesdays for our weekly session. Thank you. 😊

Expressive Arts & Design

On Thursdays we welcome Mr Smith into our classroom where we join up with the nursery children to have our weekly music lesson. The children really do enjoy this and are so enthusiastic to join in with both the playing of the instruments and the singing. It is always such a lovely end to our Thursday afternoon.

PSHE / RE

This week we talked about kindness and being a good friend. We shared the story of the rainbow fish and the children were really sympathetic to the characters in the story as we talked about feelings, how to be a good friend and how fairness and sharing are always important. They really are a kind and considerate bunch! 😊

From next week Miss Leek will be taking over in Reception with Mrs Hancock. We have had a couple of handover sessions this last two weeks and Miss Leek is raring to go with the children! She is keen to keep going with their wonderful writing and Maths work and I'm confident that the children will show off their amazing skills to her as the work together over the Summer weeks.

Thank you as ever for your support. 😊
Mis Morrey and Mrs Hancock

Understanding the World

This week we have continued with our whole class topic of 'People who help us'. We discussed strangers and SAFER strangers again, we talked in more depth about the police and the fire service as part of our class texts in Literacy and the children are really getting stuck in and are able to tell us so much about the people in the community who are able to help us with different things.

Useful websites

We operate an open door policy, so please feel free to pop in and see us with any queries. 😊
